

FREEDOMS FOUNDATION AT VALLEY FORGE
2011 AMERICAN LEADERS YOUTH SUMMIT
GENERAL TRIP INFORMATION

WHAT TO WEAR

Wear comfortable clothing and shoes (bring an extra pair of shoes). It may be a beautiful warm and sunny day in Florida but the weather in Philadelphia most likely will be very cold (like 20's and 30's) for the February and March groups; some get snow. Consider sweaters, windbreakers, plastic rainwear, scarf-wool sock-cap, etc. April can expect nicer spring-like weather – possibly chilly. Bring standard classroom attire and something dressier for your final evening.

You must wear your Freedoms Foundation t-shirt and red hat for air travel. This provides your escorts, airline staff, security, and others concerned instant recognition. You are required to have a picture I.D.

PERSONAL ITEMS

Currency, cameras, cell phone, jewelry or other personal items must be with you at all times. Bring a good number of coins for vending machines. You may also want to bring money for souvenirs at the shops in the Historic Center in Philadelphia. **We strongly suggest you leave valuable personal items at home.**

BAGGAGE INFORMATION

You're allowed one carry-on bag and one personal item. **There will be NO checked luggage.** Personal items include purse, briefcase, or laptop bag. The carry-on bag must weigh less than 40 lbs. and no more than 45 inches (14 x 9 x 22). Both bags must have a personal I.D. tag that includes your zip code and your full home phone number with area code Your chaperone will keep your airline ticket.

AIRPORT SECURITY – WHAT CAN I BRING?

The following rules apply to all liquids, gels, and aerosols carried through security checkpoints.

1. All liquids, gels and aerosols must be in three-ounce or smaller containers. Larger containers that are half-full or toothpaste tubes rolled up are not allowed. **Each container must be three ounces or smaller.**

2. All liquids, gels and aerosols must be placed in a single, quart-size, zip-top, clear plastic bag. Gallon size bags or bags that are not zip-top such as fold-over sandwich bags are not allowed. **Each traveler can use only one, quart-size, zip-top, clear plastic bag.**

3. Each traveler must remove their quart-sized plastic, zip-top bag from their carry-on and place it in a bin or on the conveyor belt for X-ray screening.

Knives, box cutters, or similar objects and liquids or gels not as described above will be confiscated by security personnel. You will also be asked to remove your shoes (but you get those back).

AIRPORT MEET UP

(See Travel Itinerary) **Please be prompt!** A Freedoms Foundation Broward Chapter representative and your chaperones will meet you just inside Terminal 3. They will be wearing a red Freedoms Foundation baseball cap and a Freedoms Foundation t-shirt – just like yours. If your driver plans to join you in the terminal, have them drop you off, then park, and join you later. **Please do not park first, as finding a space quickly is nearly impossible.**

After everyone has arrived, the group will check in together – including the checking of bags – and the group will proceed together through security. In other words, stay together – do not wander off – until directed by your chaperones to move to airport security.
