

# **SAVE THIS DATE**

**Sunday, May 16, 2010**

**At 1 p.m.**

**Coral Ridge Yacht Club**

**To:** The 2010 American Leaders Youth Summit students, their families and friends, and Freedoms Foundation members

**You are invited to attend the:**

Freedoms Foundation at Valley Forge  
Broward County Chapter  
Annual Student Luncheon

The luncheon is in honor of the students that the Broward Chapter sent to the American Leaders Youth Summit at Valley Forge in February, March, and April of 2010. It is also a thank you to them for being outstanding students, for being fine young Americans, and for representing Broward County at Valley Forge.

Chapter members will want to attend this special luncheon to meet the students and to hear about their experiences. It never fails to inspire to hear representatives of the groups talk about the conference and what it meant to them, how much they learned, and how much fun it was.

For the students, it is a time to renew friendships and visit with fellow conference attendees. For their parents it is a chance to get trip details that may not have been shared – especially if you adhere to the general concept that teenagers are short on details even when they are excited.

The student honorees attend as guests of the Broward Chapter of Freedoms Foundation. The cost for lunch for the students' parents, siblings, and/or friends is \$25 per person. **Reservations are mandatory.** Notice of the luncheon will be mailed to each student in early April with reservations and payments due on the Wednesday before the luncheon.

**Be there!!!! You do not want to miss anything.**
